## NOTICE

This is to inform all concerned that a significant decision was reached during the joint meeting of the Hostel Management Committee and the College Disciplinary Committee on 17th February 2024 and as approved by the Governing Body on 14th May 2024.

Following thorough deliberation and assessment, it has been unanimously resolved to close the Kamal Kumari Barooah Girls Hostel (Old Girls Hostel) due to its dilapidated condition. It has become imperative to undertake extensive renovation work to ensure the safety and comfort of our students.

Consequently, admission to the New Boarders in Kamal Kumari Barooah Girls Hostel will be closed from the next academic session until further notice. Alternative accommodation arrangements may be provided for the present boarders in the New Girl's Hostel.

Further, as per JB College hostel rules adopted by the special body on 04/09/2000, students desirous of availing hostel facility have to apply and get selected for hostel admission every year. That is, hostel admission will be for one academic session only, and applications for admission in the subsequent academic sessions may be renewed subject to the fulfilment of the conditions laid down in the said rules.
